### Activities of the Night

Have your child(ren) join their friends for an evening of crafts, games, pizza, movies and heroism.

- We will be serving cheese pizza, pepperoni pizza, chips, popcorn and juice boxes.
- Following games and pizza children will watch a Disney classic or "G" rated movie.
- Please have your child wear his/her Halloween costume and bring a pillow and blanket in a bag to use during the movie.
  - If your child's costume is comfortable they may wear it for the entire night. If your child would be more comfortable changing for the movie, please pack pajamas, or have your child wear them under their costume if possible.

### Educational Service Project Overview

Christmas is a time of year when giving is prevalent, yet so many of us prepare our homes with lights and decorations for elaborate dinners; we spend hours cooking food; we spend money buying gifts for family and friends that we sometimes forget about the children and families who are not able to celebrate like we do. It is our hope to inspire our children to think of others during this season of giving. By filling a shoebox with school supplies and small toys students can learn generosity as they give to others during the Christmas season. Each participant will fill a box with pencils, crayons, coloring books, bouncy balls, etc. and it will be mailed to a child who will not receive any other Christmas gifts.
