SUMMER CAMP

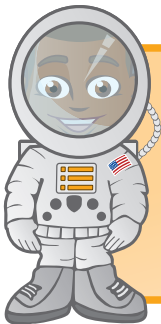

Absorbent Minds Montessori Summer Camp 2009 3-6 year olds

The days are longer, the weather is warmer, and summer is finally here... During camp, the children can enjoy all the fun and excitement of the summer while learning through art projects, special visitors, games and educational activities! We will begin Camp by getting the kids into shape during our Fitness Frenzy week; then we will be blasting off into outer space with our Space camp; finally our last week will take us back in time through American History. Our camp will have a grand finale as our kids participate in the city of Stow's 4th of July parade by making their own USA flag float. Even though school is out, summer is the perfect time for fun educational activities!

Session One "Fitness Frenzy" June 15-19

As the whistle blows... our campers will leave this camp with a better knowledge of health, nutrition, fitness, team spirit and sportsmanship! Campers will join together to learn kickball, teeball, cornhole and other fun games. We will have a special fitness session where the kids will learn aerobics, calisthenics and how to stay healthy. "Team Absorbent Minds" will look forward to a trip to the bowling alley for a fun day of bumper bowling! We will end our week with our very own Wacky Olympics!

Session Two "Space Camp" June 22 - 26

Ready...Set...Blast Off! This week our campers will explore the moon, stars, constellations, astronauts and planets! We will have a planetarium set up for the kids to see and experience everything our vast outer space has to offer! Our space explorers will also discover all about rockets, gravity, astronauts and planets. They will enjoy many science experiments and even make their very own moon rocks! Strap in and join us for this fun adventure into outer space!

Session Three "American Pride" June 29 - July 3

Get ready to catch the American Spirit as our campers discover people, places and things that define America. Kids will tour familiar landmarks and learn how our country began. From exploring American ocean life to the Wild Wild West to our founding fathers, they'll discover exciting things as they travel the land in search of all the wonderful things that make our country a great place to live! The campers will plant their own garden. As we approach the fourth of July, they will be working on a patriotic float for the city of Stow's Fourth of July Parade! All camp participants, and enrolled students of our school, will be invited to participate in the parade with us!

M - F Full Day - (8:00 am - 3:00 pm) \$150.00/ wk

M - F Half Day - (8:00 am - 11:30am) \$95.00/wk

Before & After Care - Available
